Studio 20  
Vironwood

### Welcome to the Brandstore

A few years ago, Garden Impressions launched its own brand in plastic outdoor furniture that is hardly discernible from genuine (teak) wood: Vironwood. 100% recyclable and NO wood! The remarkable success of this branding strategy has now led to our adding two more labels to our Brandstore portfolio.

The first addition, recently acquired by Garden Impressions, is a brand that has been a household name in exclusive and very high-quality natural stone tables for years: Studio 20.

The second, Ironbridge, represents high-end and extremely durable furniture in stainless steel and genuine teak.

 **CENTOSTONE**  
STRONGER THAN NATURE

### A table for life

Centostone® is a great new material for tabletops. It is comparable to ceramics, but much more compact and therefore much harder and firmer. Centostone® is extremely durable and versatile. Due to its extreme hardness, it is resistant to scratches and heat. As the material does not absorb moisture, circles and other stains cannot form and cleaning is easy. Moreover, Centostone® is environmentally friendly, because it largely consists of natural materials and the production process is energy efficient. Centostone® is used exclusively in Garden Impressions products. Available colours: Sicilian grey, Venice white, Rome bronze, Milano brown, and Milano beige.

- Super strong
- UV and heat resistant
- Scratch resistant
- Moisture resistant

#### The perfect alternative to wood

Vironwood® is a specially developed synthetic material which, thanks to its natural structure, can hardly be distinguished from real (teak) wood with the naked eye. The material is extremely solid, easy to clean with lukewarm soapy water, and UV and weather resistant. Moreover, Vironwood® is very colourfast, certainly in comparison with other plastics used for table tops. Another plus is the fact that Vironwood® can be considered absolutely environmentally friendly. The material contains no harmful chemicals and is 100% recyclable. Vironwood® is used exclusively in Garden Impressions products.

- **Very strong and hard**
- **UV and weather resistant**
- **Easy to clean**
- **Fully recyclable**

**VIRONWOOD®**

-  Water repellent
-  High quality
-  Easy to clean
-  UV resistant
